Newsletter Blast December 2022

We recognise the Kurna and Peramangk Peoples as the traditional owners of the Adelaide Hills and pay our respects to elders past, present and emerging.

The Hut is closed from 23 Dec and reopens 3rd Jan

The most enormous THANK YOU to the 5C's (Collecting Cash Convertible Containers for Charities) for their extremely generous donation of \$1000 for our Festive Food Pantry program. This is the second year that the 5C's has provided us with a donation which will enable us to purchase special festive food items for people in the Adelaide Hills community who are in financial hardship. We are so grateful for our ongoing partnership with the 5C's who over many years have funded several projects for The Hut. Other projects they have recently worked on is the Young Carers program with Carers and Disability Link in Woodside, and also providing much needed food and fuel vouchers for the Lenswood Community. Niecy and this amazing group of people work diligently collecting 10c cans and bottles across the community and are a fantastic example of how each small contribution can add up to be extremely impactful and make a positive difference in people's lives.

Cultural Safety and Respect

During the month of November, some of The Hut's staff attended a Cultural Safety and Respect training provided by *beyond* Training. Hosted at Mount Barker Community Centre, this two-day training was facilitated by Jane Longbottom and Ngarrindjeri woman, Sharron Gollan. The purpose of the workshop was to help organisations understand institutional racism and create culturally safe and responsive programs for First Nation's Australians. Through this workshop, staff learnt about Australia's colonial history and how this history continues to have an ongoing negative impact on First Nation's Australians. Staff found the training invaluable, and it has provided some fabulous strategies to help us make our programs, services, and physical spaces more culturally safe. Inclusion has, and will continue to be, a focus area for The Hut, and we look forward to integrating the culturally inclusive learnings from this training in our community centre in the New Year.

Woodside Bookshed update!

Lots of work has been happening in Woodside to prepare the new Book shed for opening. The plumbing and electrical has been trenched in, the kitchen is in and the carpet has been installed.

We are now planning out the shelving layout ready for books!

It is hoped the Book shed will open mid to end January.

We are still needing more volunteers for this site. If you would like more information , please feel free to give us a call on 8339 4400

A Planet Friendly Pageant!

With many challenges over the past few years, the Stirling Community Christmas Pageant finally brought Santa to town!

The theme of 'Planet Friendly' pageant encouraged participants to upcycle, re-use, and hand make environmentally friendly decorations for their pageant entries.

The day was blessed with beautiful summer weather, large crowds, and an array of fun, family entertainment.

The community enjoyed live music, more than 50 market stalls to purchase Christmas gifts, petting zoo, free kids craft and of course Santa.

Thank you to all who came along to enjoy the day, the fantastic Hut volunteers who put in a lot of time and energy to make the day run smoothly, and our wonderful sponsors - Harris, Stirling Business Association, Stirling Market and Adelaide Hills Council.

We look forward to seeing you on Sunday 3rd December 2023 to celebrate 30 years of the Stirling Christmas Pageant.

Congratulations to Stirling East Primary School for being awarded 'Best Float' for 2022 to coincide with the theme of 'A Planet Friendly' pageant. Home made drums were the highlight of the float with the very tall drummer boy leading the way.

The award is provided by the Adelaide Hills Council, Cr Adrian Cheater presented the award to Principal Jess Mulraney. Well done!

Grandparents for Grandchildren

Grandparents for Grandchildren are a professional team with diverse credentials, capabilities, and life experience, committed to supporting Grandparent and Kinship Carers, those who have concerns about the safety and welfare of their grandchildren and those who are experiencing alienation. They provide a listening ear and practical, effective advice and support through individual support, education and development funding for families, information and resources, and coordination of Villages in local communities.

The GFGSA Village Program was developed to enable Carer Advocates to provide carers with a safe space to meet in their local area, giving them the opportunity to connect, exchange ideas and information and access familiar, more accessible services.

Learn more about the Villages [here](#)

A Village will commence here at The Hut in February, if you are a grandparent providing full time care for grandchildren, feel free to join us.

Have You Heard of the Slow Food Movement?

The Huts Community Development Manager recently met with Tania, the Chair of the South Australian Slow Food Movement.

It was a great conversation about what each organisation does and how we might be able to work together. A workshop and shared lunch will be scheduled in the New Year, watch this space for updates.

Information about the Slow Food Movement has been included below for your interest.

Slow Food South Australia is part of the global Slow Food network that has grown into a movement involving millions of people in over 150 countries.

Founded in 1989 by Italian journalist and environmental activist Carlo Petrini, Slow Food is a non-

profit, grassroots organisation that aims to counteract fast food and fast life, the disappearance of local food traditions and people's dwindling interest in the food they eat, where it comes from and how it tastes.

Supporters of Slow Food recognise that our food choices can make a positive difference in the world – to people, local communities, animals, plants and the environment. Members and supporters of Slow Food aim to create a world in which all people can access and enjoy food that is good for them, good for those who grow it, good for the surrounding community and good for our planet.

The Slow Food approach aims to preserve traditional foods and regional food cultures by supporting the production of food that is good, clean and fair.

GOOD: quality, flavoursome and healthy food that satisfies the senses and is part of local culture

CLEAN: production and consumption that does not harm the environment, animal welfare or our health

FAIR: accessible prices for consumers and fair conditions and pay for producers

Getting Older? Let's Talk About It

Ageing Well in your Community Conversation Series

Thinking about ageing? Join us as we highlight the opportunities and challenges of ageing well at home in your community.

Considering your life experiences and understanding of ageing, and focusing on your abilities and strengths, this eight-session conversation series provides an opportunity to share with and learn from others about what it takes to successfully grow older with meaning, purpose and passion!

With grant funding and support from the Office for Ageing Well, Zest Creative: Living Life has collaborated with The Hut Community Centre to offer two *free* series of eight weekly conversation series titled: 'Ageing Well in your Community'. This program is suitable for individuals wishing to prepare for their ageing future or to be able to support a family member.

It's time to celebrate!

Volunteers came together to enjoy the end of year breakfast on the platform last week. This has been a long standing tradition where we can say "Thank you" to our wonderful volunteers and celebrate the year. A beautiful cooked breakfast, good company and we even had a dry morning. It's always really nice to see volunteers catchup with other volunteers that they may not see too often and watch great friendships form.

Volunteer Vacancies

Please email volunteering@thehut.org.au if interested in any of these roles

These are the only roles we are recruiting for at present

Bus Outing Organiser

A volunteer is required for the bus program, to schedule in weekly Thursday outings. Computer literacy is essential and the ability to research upcoming events/shows and a range of suitable venues for outings for seniors.

Ageing Well Conversation Series

This 8 week series on ageing well will commence on the 16th February. We are seeking a person interested in participating in the series who may then be willing to co-facilitate another series later in the year. Information about the program is contained in the newsletter or you can give The Hut a call to chat.

Be Connected Tutors

Volunteer tutors are required to provide support in small group sessions to seniors wanting to learn the basics of computing and browse the web.

Hours are flexible and training on the available resources will be provided. Competent computer skills are required along with a calm and patient manner.

Flier Distribution

Help us to promote our services and programs through the delivery of fliers to local outlets. These will include local noticeboards in shopping centres and public places. This can be done in your own time and will be approximately once per month.

Community Bus Program

The Community Bus program provides a shopping and social outing service for Seniors living independently. We are in need of volunteers to fill-in on an adhoc basis for the role of driver and/or helper. The time commitment varies depending on the outing, but is flexible around the volunteers availability.

Bookshed Woodside

Calling all avid readers with fantastic customer service skills, we need you!

A new Bookshed at Woodside is currently being setup, with the aim to open in the new year.

Volunteers are responsible for the welcoming and serving customers, sorting and shelving book donations, and general day to day running of the Bookshed, as a part of a small team.

If this sounds like the right role for you then we would love to hear from you.

Extend Your Family and Expand your Horizons

The Hut has been contacted by the International Education Services area of the Department for Education. Their role is to recruit international students to study in South Australian Government Schools.

Each year they welcome hundreds of international high students from over 20 countries to our schools. Many of them choose to stay with South Australian families in what is called 'homestay'. The homestays provide a safe and welcoming home away from home for students during their time in South Australia. Hosting an international student is a mutually rewarding experience and creates life-long memories and friendships for both the students and the homestay.

They are looking for caring and compassionate homestays to support international students when they arrive onshore to study in South Australia.

You can read more about the homestay program [here](#) or watch the homestay video below:

https://www.youtube.com/watch?v=J50s_im6bJs

Specifically, they are looking for host families to host incoming students who will be commencing at Heathfield High School in term 1, 2023.

Join our homestay program

Hosting an international student is a wonderful and mutually rewarding experience.

While developing their academic skills, students gain an understanding of the Australian way of life. Likewise, homestays increase their appreciation of other cultures and have the satisfaction of knowing they have made a difference to a young person's life. It truly is a win-win for everyone.

Families of all sizes and structures are eligible. You will be supported by our Homestay Accommodation Team and will be provided with an allowance to contribute to the cost of having a student in your home.

So, if the thought of opening your home and heart to an international student sounds like an exciting opportunity to you, register to become a homestay today.

The Adelaide Hills Garden Affair

In the last newsletter we promoted The Adelaide hills Garden Affair for April 2023.

We have now been advised that due to drainage work occurring on the Mylor Oval at that time, the event has been postponed to Autumn 2024.

Cooking with Doris

Beef, Spinach and Fetta Gozleme

If you are sick of Ham or Turkey!

- 500 g lean beef mince
- 2 tbs olive oil
- 2 garlic cloves crushed
- 1 red onion small finely diced
- 2 tsp ground coriander
- 1 tsp ground cumin
- 1/2 tsp chilli flakes *optional
- 1 lemon zested
- 4 Greek pitta breads
- 1/2 cup cheddar cheese grated
- 60 g baby spinach leaves
- 100 g fetta crumbled

TO SERVE

- 1 punnet cherry tomatoes
- 1 cucumber cut into ribbons
- 4 handfuls baby rocket
- 1 lemon cut into wedges

In a large, non-stick frying pan heat half the oil over medium-high heat. Add the garlic and onion and cook for 3-4 minutes or until softened. Add mince, breaking up lumps with the back of a wooden spoon and cook for 5 minutes or until browned. Add spices and cook for a further minute. Season to taste and set aside to cool slightly. Stir through lemon zest.

Sprinkle half the cheddar over one of the pita breads. Top with half the mixture, followed by half the spinach and half the fetta. Top with another pita bread. Repeat with remaining pita breads, cheddar, beef mixture, spinach and fetta.

Preheat a large, non-stick frying pan, barbecue hot plate or sandwich press to medium-high heat. Brush both sides of one gozleme with remaining oil. Cook for 3-4 minutes on each side, pressing

down with a spatula and turning carefully, until crisp and golden. Set aside and cover with foil to keep warm. Repeat the process with the remaining gozleme.

- Cut the gozleme into quarters and serve with lemon wedges and salad.

Enjoy!
