

# THE HUT OUTDOOR PLAYGROUP

**The Hut is in the building that used to be the old Aldgate Railway station.**

**To get into the playgroup area, walk through the garden gate**

**The garden area has different spaces to use.**

**There is a sandpit and a water play space.**

**There is garden to explore**

**There is a sheltered area where you can do some art and craft activities**

# THE HUT OUTDOOR PLAYGROUP

**There is a building at the end of the garden area.**

**In this building there are toilets.**

**This is what it looks like inside the building.**

**Sometimes a train might go past. If you don't like loud noises then bring along your ear muffs.**

**The platform area is next to the garden. Playgroup won't be using this space but we can visit it with an adult.**

**If the weather is too hot or too wet there is a big room inside The Hut's building we can use for playgroup.**
